### FROM THE PRINCIPAL'S DESK

Dear Parents,

Season's Greetings to you all!

As the new academic session unveils, we start off with newer dreams, newer hopes and newer aspirations.

In MBRS, our goal is to provide a holistic education where the child receives the best experience in learning. We want your child to be cooperative, responsible and productive.

The aim of education is to bring about desirable changes in the body, mind and soul. We want your child to be always engaged, involved and enjoy the whole process of learning in this warm and caring community. We strive for your child to excel in academics, co-curicular activites and games and sports, raise their behavioural standards, develop life long principles and become an active learner.

All these will not be possible without your valuable suggestions, support and cooperation.

Here we would like to keep discipline and punctuality at the topmost. It is our appeal to you all, to help us in abiding this Calendar by timely following it, specially in reporting back to School and not taking unnecessary leave of absence, except those stipulated in the Leave Policy.

Kindly note that this Academic Calendar will be followed in this true letter and spirit but some unforeseen reason may necessitate changes at times. In such cases we belive you will understand and cooperate.

Thanking you

Yours sincerely

Mujerelutte
